

Fresh Food, Proudly Prepared.

Dino's Family Chip Shops is a family-owned Irish food business known for craftsmanship and quality. Operating eight retail outlets and an in-house production facility, we create fresh, hand-prepared select battered foods. Through Food Prep we are expanding our B2B range and seeking like-minded trade partners to supply our high-quality, food solutions in retail, wholesale & foodservice markets.

OUR PRODUCTS

Our Battered Sausages are made with premium Irish pork and coated in our distinctive crisp batter, the Dinos Battered Sausage is a true signature item. With over five decades of brand heritage behind it, this product delivers the flavour, consistency and performance trusted by generations of customers.

A rich blend of mature cheese and gently seasoned onion folded through fluffy Irish potato, finished in a crisp, golden batter. Our Cheese & Onion Potato Pies are comforting and full-bodied, this classic delivers warmth, texture and dependable flavour in every serving.

A lighter twist on tradition, combining aromatic thyme with savoury onion and smooth potato. Encased in a crisp batter, it offers a balanced, herb-infused flavour profile with a satisfying finish. Dinos Thyme & Onion Potato Pies are ideal for customers seeking something a little different.

A seasoned Irish beef burger wrapped in our signature crisp coating, delivering a hearty bite with a satisfying crunch. Generous, flavourful and built for foodservice performance. Dinos Battered Burgers are a reliable crowd-pleaser across takeaway and deli counters alike.

A NATURAL FIT IN EVERY FOODSERVICE SETTING

Dinos battered range is designed for high-demand foodservice environments where speed, quality and consistency matter. Perfect for busy takeaways, deli counters and forecourts seeking strong grab-and-go options, and ideal for contract caterers delivering reliable volume service. Our products integrate seamlessly into existing menus, helping operators drive footfall, increase basket spend and satisfy customers with trusted, proven favourites.
