JUSTE UN BAISER

Ladurée celebrates **LOVE** in this *Juste un baiser* collection.

Kisses are such treats... on your hands, your neck, your cheeks, your lips and now decorating our famous macarons boxes by the dozen, like so many **INDELIBLE** imprints.

Working from a carefully crafted list of ingredients, our pastry chef has concocted this "love potion" collection to help you charm that special someone...

Prepare for a very **GOURMET** Valentine's day!

MACARONS

SUPER MACARON

Mango, ginger and turmeric

We filled this heart-shaped macaron with a light and sweet mango ganache that reveals notes of ginger and turmeric. Turmeric is known to be a skin beautifier thanks to its antibacterial effects. Ginger is often cited as the go-to aphrodisiac, but it is also a powerful antioxydant that reduces fatigue!
