

## THE WOODFIRE & GREEN WAY

At Woodfire & Green, our team of chefs have been designing, crafting and perfecting the unique flavours for our dishes using the finest and freshest of ingredients for over 20 years.

When we opened our doors in 2016, our family's vision was a simple one: to make incredible food with quality being our top priority and provide our local community with a service that is warm, personal and friendly.

Woodfire & Green, a spacious urban oasis, is tucked away on 19 Corrig Road in Sandyford. Drop in and enjoy your morning coffee, lunch with friends, casual evening eats on our sunny terrace or dine inside and soak up the atmosphere beside our woodfire oven.

Nothing feels better than hearing how our popular range of artisan hand carved sandwiches, freshly prepared salads, woodfire flatbreads, rotisserie chicken and gourmet burgers have all been massive hits with our valued customers!

You can also enjoy Woodfire & Green at Home. Order online for collection or delivery. Check out our innovative DIY Kit Boxes with step by step instructions on how to cook like a pro at home to serve up restaurant quality food to your family and friends!
