

THE WOODFIRE & GREEN WAY

At Woodfire & Green, our team of chefs have been designing, crafting and perfecting the unique flavours for our dishes using the finest and freshest of ingredients for over 20 years.

When we opened our doors in 2016, our family's vision was a simple one: to make quality our top priority and provide our local community with a service that is warm, personal and friendly.

Nothing feels better than hearing how our Woodfire Pizzas have been a massive hit with your family and friends, how Paddy's Famous Burger Sauce is out of this world or how The Fried Chicken Box has fast become the favourite Friday Night Takeaway option!

Our Woodfire Pizzas, Gourmet Burgers, Wings and Dressed Fries are available for collection in Woodfire & Green on 19 Corrig Road, Sandyford on Thursday, Friday and Saturday from 5pm – 9pm.

The Kit Box Collection, our innovative DIY Dinner Kits are available for both delivery and collection. All Woodfire & Green Kit Boxes come with step by step instructions which get you cooking like a pro at home serving up restaurant quality food without fail every time! With five Boxes to choose from, you'll never be stuck for a dinner idea again!
