

**Our stores are open, for the safety of our team members and customers alike, we kindly ask you to follow our safety guidelines in line with the HSE**

- 1) Please sanitize your hands upon entering and leaving the store**
- 2) We can only allow a max number of people at the one time, please allow one to leave before you enter when the max has been reached.**
- 3) if queueing out side, please follow the Q markings on the ground to ensure social distance.**
- 4) Please follow all floor markings and signage in store. After your have ordered please wait at a floor marking and keep a social distance of 2m.**
- 5) Our team members have increased handwashing and disinfecting handles and surfaces.**
- 6) we would encourage contactless payment, where possible.**
- 7) we also encourage ordering and paying online from the safety of your home, and opt for a contactless delivery ( participating stores) or collections to minimize waiting time.**

**We will continue to take the advise of the HSE to take necessary precautions, we do apologize for any delays experienced as all our health and safety are in the best interests, Thank you for your co operation and understanding**

***F. Macari, Family & team***

**4 at  
one time**

**Sanitize  
your hands**

**Social distancing  
In place**
